

Training Seminars & Dog Psychology with Denis Steurs & An Wesenbeek

They are fast becoming 'Rising stars' throughout Europe, widely accepted by the media, embraced by handlers and dog lovers alike, for their truly inspirational methods of communicating their concepts and ideas using a combination of multimedia, demonstration and audience participation.

Whether you are a handler, breeder or a pet enthusiast, this is an excellent opportunity, to witness and learn from two extremely gifted individuals. For only £30 per person*

*Discounts available for group bookings

Two Seminars are proposed, each 1 day in duration and will involve:

19th March 2011

Imprinting & Enrichment - The development of the dog's mind

28th May 2011

Leadership - Winning ways

Dover
Kent
CT17 0HL

Comments from 2010 Seminars with Denis Steurs & An Wesenbeek

“ Thanks for a great weekend. Denis and An obviously know their stuff where dogs are concerned. I would definitely be interested in any other Seminars you arrange. - Flo Hawthorne (East Sussex) ”

“ I enjoyed the seminar immensely and could have listened for hours more. The venue was excellent as was the organisation. I would have no hesitation in coming again, please let me know if you host something similar in the future. - Allyson Tohmé (South Wales) ”
